

Greetings,

We hope this newsletter finds you well and inspired! We have some thrilling updates to share with you. Thank you for being part of our journey towards a sustainable, waste-free future.

🎉 Celebrating 1,000 Members in Our Facebook Group! 🎉

We are excited to announce that our Facebook group, [Waste Free in '23](#), has reached an incredible milestone of 1,000 members! This achievement is a testament to the growing global movement towards waste reduction and sustainability.

🌟 SHaCK is Receiving Amazing Reviews! 🌟

Our **Solar Hybrid Community Kitchen (SHaCK)** is making waves and receiving fantastic reviews. Communities are thrilled with its innovative design and sustainable benefits. WF23 SHaCK is poised to become a game-changer in how we approach cooking and waste management.

Stay tuned for more updates and success stories! Learn about SHaCk [here](#)

🌱 **New Video: "Wasini Island's Next Chapter with Waste Free '23"** 🌱

In [this video](#), we showcase their tireless efforts to clean the mangrove forests, remove plastic waste, and transform it into valuable products. Discover how the island is being rejuvenated, creating a sustainable and beautiful environment for all.

💻 **Check Out Our Newly Slight Renovated Website!** 💻

We've given our website a fresh look with a new menu for better navigation. We've also added several new pages to enhance your experience, including our [Recycle Everything](#) page which is uploaded on [Waste Free '23 University](#). Check out:

- [Innovative Waste Management Solutions page](#), where we share cutting-edge strategies to transform waste management and energy efficiency.
- [Our on-update P4P page](#), as we're making it happen multiple times every week.
- [Micro-recycling center](#) page. We can't stress its importance enough to achieve sustainability.

Learn More & Get Involved!

- Visit our website to learn more about Waste Free '23 and MRCs: WasteFree23.Org

- [Join us on Facebook](#) for the latest updates and events

We need help to carry on our work with this speed for long! Take action now to **help us making the world waste-free.**
